

To Change password in MVT.

1. Enter your Login ID and current password, then click on **Change Password** on login window.

The screenshot shows the MarketView Terminal login window. It has a purple header with 'MarketView Terminal' and a close button 'X'. Below the header, there's a login form. At the top, it says 'Login with:' followed by two radio buttons: 'User ID' (selected) and 'Mobile Number'. Below this, there are two input fields: 'User Name:' with 'USERID' entered, and 'Password:' with '*****' entered. These two fields are enclosed in a red rectangular box. Below the password field, there are three checkboxes: 'Remember Me' (unchecked), 'AutoLogin' (unchecked), and 'Download Masters' (checked). At the bottom of the form, there are three buttons: 'Login', 'Change Password' (highlighted with a red box), and 'Time Zone'. The footer of the window says 'Powered by ticker DATA'.

2. Enter your current password again in **Old Password** field.

3. Enter New password at **New Password & Confirm Password** field. (Kindly refer password policy)

4. Click **OK**.

The screenshot shows the MarketView Terminal password change window. It has a purple header with 'MarketView Terminal' and a close button 'X'. Below the header, there's a form with three input fields: 'Old Password:', 'New Password:', and 'Confirm Password:'. These three fields are enclosed in a red rectangular box. Below the 'Confirm Password' field, there's a checkbox labeled 'Log Off From All Devices:'. At the bottom of the form, there are two buttons: 'Ok' and 'Close'. To the right of the form, there's a 'Password Policy' section with four rules: 1. Min 8 and Max 15 characters. 2. Atleast One Upper Case and One Lower Case. 3. Atleast One number. 4. Atleast one special character out of @ # \$ % & *. The footer of the window says 'Powered by ticker DATA'.

5. To accept the changes, Click on **OK** in pop up window.

The screenshot shows the MarketView Terminal password change window with a 'Login' pop-up dialog box. The background window is the same as the previous one, but the 'Old Password', 'New Password', and 'Confirm Password' fields now contain '*****'. The 'Login' pop-up dialog box is in the foreground. It has a title bar 'Login' and a close button 'X'. Inside, there's an information icon (i) and the text 'Do you want to change the password?'. At the bottom of the dialog box, there are two buttons: 'OK' (highlighted with a red box) and 'Cancel'.
